MEMORANDUM FOR: Executive Secretary,
CIA Management Committee

SUBJECT : Inspector General's Survey of the
Support Services Staff

REFERENCE : Memo dtd 3 Apr 73 for DD/M&S fr
ES/CIA MC, same subj

In the second paragraph of the Reference you endorse much of what the IG recommends and suggest some organizational changes/reversions. I am in general agreement and propose, therefore, to defer action or response to the specifics of the Survey until the changes of structure and responsibility in this Directorate have been effected. The how of the response to several of the recommendations will necessarily depend upon the organization and authorities which ensue. You may be sure that the Survey will be given full consideration in the process.
